

Rhyn Park School and Performing Arts College

Publication of Photographs of Students Policy

We are keen to celebrate the success and achievements of all our students and from time to time photographs will appear in the local newspaper, on our website or on other material such as the school prospectus which we circulate to other schools and local businesses.

Apart from in the local news paper, we do not publish photographs of students with their name.

When organising any photographs of students we ensure that the students are happy for their photograph to be taken and to be used outside of the school community.

We recognise that for a variety of reasons some parents or carers may not wish their child/ward's photograph to be published. If you wish to 'opt out' please complete the details below. If you are happy for photographs of your child/ward to be published you need do nothing further.
