

Ms Sue Lovecy, Head of School

Dear Parents and Carers,

As you are aware our Community Curriculum project 'Pirates of the Currybean', is well under way. There will be an all day rehearsal and performance on Monday 4 December in the Arts Centre at St Martins School. Tickets for the performance will be limited due to the number of pupils performing. Parents/carers of pupils who have been attending rehearsals on a Monday at school will be able to reserve two tickets per pupil and request further tickets if they are available. Other tickets will be limited to one per family, however, additional tickets can be requested and will be allocated if they are available.

Each ticket is £1.

Please complete the slip below together with your payment and return it to your class teacher as soon as possible, as tickets will be allocated **'first come first served basis'**.

Yours sincerely
