

Ms Sue Lovecy, Head of School

Dear Parents/Carers,

Transition - New Reception Class - PARENTS & CHILDREN LUNCH

As part of your child's induction into school we would like to offer you the opportunity to come and have a hot school lunch with your child in the main school dining hall.

This is where the children will be having lunch from September whether they are having hot school lunch or a packed lunch. We would like to invite you to attend on **Thursday 14th June at 12p.m**

Please can you come to the main Reception at 11.45a.m as you will need to sign in to say you are on the school premises. Your child will then be brought to meet you.

If your child does not attend on this day please bring them straight to the main Reception and we will meet you there.

There will be a £3.00 charge for adults to have lunch but your child will eat for free on this day. There will be water available for the children although you may wish to bring a drink for your child to have with their meal.

Please can you fill out the form and return it to the main school Reception by **Wednesday 6th June 2018 along with £3.00 in an envelope if you wish to have a hot lunch.**

We look forward to seeing you on this day.

Many Thanks

Julie Faulks - Early Years Manager

Please fill in and return to main School Reception by **Wednesday 6th June 2018**
