

Ms Sue Lovecy, Head of School

March 2019

Dear Parent/Guardian,

Re: Science sessions

As a reward for pupil's continual positive work ethic and attitude to learning in Science lessons we have organised for a visitor to come in on Friday 22nd March and do an interactive workshop with the pupils in years 4, 5 and 6. The workshop is entitled; 'explosions and eruptions'. To help cover the cost of the workshop and resources we are requesting a small fee of £1 per pupil, this should be handed to school with the consent slip below by Wednesday 20th March.

Please make your child aware that the school's Code of Conduct will be enforced during the lessons and only the highest standards of behaviour will be accepted. If you have any questions, concerns or require further information please feel free to contact me.

Yours Sincerely

Mrs H Smith
Head of Science/Head of Year 10

Science Workshop Friday 22nd March

I consent to my son/daughter participating in the Science workshop on Friday 22nd March and have enclosed the fee of £1.
