

Ms Sue Lovecy, Head of School

12 June 2019

Dear Parents/Carers

**Year 9 Maths Problem Solving trip to Escapism Chester**

**Date 10<sup>th</sup> July 2018 leaving school at 9am return 3:30pm**

To support our KS 3 Maths work on problem solving we are planning to run a trip to Escapism, Chester on the 10<sup>th</sup> of July. The purpose of the visit will be to develop team work and problem solving skills. There will also be an opportunity for students to explore Chester's historical walls, time allowing.

Students will need to wear sensible clothing and sturdy footwear for walking and a waterproof coat in case of poor weather. Students will also need a packed lunch and a drink. If your son/daughter is entitled to a free school meal, please indicate this on the reply slip and we will arrange a packed lunch from the canteen

We are asking for a parental contribution for this activity of £17.00 (please make cheques payable to St Martins School fund) which covers transport, entrance to Escapism and insurances. Please complete and return the slip below by the **18<sup>th</sup> of June**. As this activity is additional to our curriculum If there are insufficient contributions, we will not be able to run the trip.

If you have any queries about the arrangements or to discuss alternative ways to make a contribution, then please contact school.

Yours faithfully

Mrs J Peterson  
Head of Year 9
