

September 2019

Dear Parent, Carer,

Alliance in Partnership, (AiP) are delighted to be the caterers at St Martins School. Having held prices for some time, a decision been taken that the School Primary meal price will need to increase from £2.00 to £2.10 as from 1st October 2019.

AiP continue to offer an exciting and varied range of meals which are both healthy and nutritious. All our menus are developed in line with the nutritional standards set by the School Food Trust and the Government's Food Policy in Schools.

As you know recently the sterling has fallen substantially in the world financial markets and economists do not expect it to rise significantly soon. This has led to the inflation of prices within the food sector and our raw materials costs have increased greatly.

Whilst we are not happy about this announcement we are confident that we can continue to deliver a quality, value for money lunch service for the pupils at St Martins School.

Can I take this opportunity to thank you for your custom. We welcome constructive comments from parents and pupils which will help us to further our knowledge.
