A huge thankyou to all the companies that attended our careers fair today— year 9 10 and 11 had the opportunity to speak with over 23 companies and organisations about careers. This annual event helps to showcase some of the great careers that are literally on our doorstep.

Need some time to get that Christmas shopping finished? On **Thursday 7th December**, we are holding a Christmas film night for pupils from year 4 – 9. This will start at 4.15pm and end at 6.15pm. Should students wish to stay in school at the end of the school day and have a hotdog before the film, the total cost will be £3.50. If students are going to go home after school as usual, and then return, the cost will be just £2. If they wish, students can bring a change of clothes to get changed in school if they are staying for a hotdog before the film. **Please make us aware of any dietary requirements when booking your child/ward's place.**

We will also be selling trays of ice cream on the night for students to enjoy whilst they watch the film. The cost will be £3 per tray, with the option of purchasing some toppings or an extra scoop for an additional 50p. Popcorn will also be available at a cost of 50p, and for a cost of 10p students can purchase a cup for juice and refill this as many times as they wish. We hope that bringing the students together for this festive celebration will be an enjoyable and memorable event for them; we look forward to welcoming them all!

Well done to all the students who supported the village on Remembrance Day particularly the Cadets and the choir. They were all fantastic ambassadors for the school.

Thankyou to all our parents and carers who have supported Children in Need either with donations or cakes. Your support is very much appreciated. Donations can still be made via Parent pay.

Have a lovely weekend,
Ms Lovecy
