“Wear it Pink” day is on **FRIDAY 27th September**—students can come to school wearing something pink to show their support for Ella’s Army and the fantastic work they do to support Brain Tumour Research. There will also be a cake sale.

Suggested donations of £1 to wear something pink (on parentpay or donation direct at school) and donations of cakes/biscuits would be very gratefully received for a cake sale. **If students are not wearing pink they must come to school in full school uniform**

Congratulations to Freya Mae-Tinsley in year 9 who has cut her lovely hair and donated it to the Little Princess Trust charity. This is a fantastic charity that makes a real difference to children by providing free real hair wigs to children and young people who have lost their own hair through cancer treatment or other conditions.

Whilst on the subject of hair I’m sorry to announce that back to school means the inevitable headlice—keep a check on your child and treat as required.

A huge well done to all students and parents for such a positive start to the year! We are implementing a new behaviour system, which focusses on pupils making positive choices for their behaviour, and being aware of the consequences for making wrong choices. Our students are really buying into this, and we can see the positive choices being made in their lessons and their behaviour around school. If you would like to discuss any aspect of the new system, or have any questions, please contact Mr Edwards.

Have a lovely weekend, Ms Lovecy

**FOOD FESTIVAL**
