Unifrog – The Complete Destinations Platform

Dear Parent / Caregiver,

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next steps after St Martin's School we will now be using Unifrog; an award-winning, online destinations platform. All students in Years 10 and 11 now have access to this website.

Unifrog is the universal destinations platform and is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student has their own account where they can explore all the career and next step options available to them and find information on everything from managing their workload to writing a winning CV. Students have access to a wide variety of video and written content, and interactive quizzes and tests, including:

Section of the platform	Examples of what students can do	Suitable age range
Quizzes	Finding their interests, personality type, preferred work environment, and skillset.	Years 7-11
Exploring pathways	Explore careers, career sectors, subjects, sign up to free webinars, explore MOOCs and courses, and find wider reading materials.	Years 7-11
Recording what you've done	Record their in-class and extracurricular activities, record examples of their skills, and see the record of CEIAG events the school has added to their accounts.	Years 7-11

Students access the platform by clicking a link in their welcome email (school email), where they create a password and can begin using the platform. They sign in to Unifrog using their email address and password and they can do so from any computer, tablet, or smartphone. We would encourage you to use the
