

ST MARTINS SCHOOL

28 March 2025

Thank you to all the parents, friends and family that came to watch the student performance of Edward Scissorhands yesterday— The all-through school production was performed on a Traverse theatre stage and was a success! The cast and crew have been in rehearsals over many weeks, supporting one another as they worked to improve their performances. They experimented with movement, voice, and expression, allowing each actor to bring something unique to the production. They had multi-roles to play, different locations and the cast were up close to the audience!

Thank you to our Site Manager Mr Thomas who created parts of the set at short notice, in particular a pair of gates that were stunning and saved the day! Lighting and sound was by Harry Wright. We had some fantastic scissor hands created by Jura and Radoslava became makeup artist and back stage crew. Thank to you everyone in the team! Was it a new experience, it certainly was. Were the cast buzzing afterwards?

They were. Even students from the audience felt the buzz and wanted to join the drama club for the next one. What will it be? A comedy, excerpts from a Modern take on Romeo and Juliet. Does it follow the story? Yes it does, but with a slightly different angle. Well done everyone! Please see Ms Poli if you want to join after school drama club.

Not long to wait for our next whole school production as “Skool of Rock” takes place on Thursday 10 and Friday 11th April.

Year 10 students have been working hard with their GCSE MFL Mock Speaking exams this week, in preparation for the real thing in two weeks' time. We are all very proud to have such dedicated students and they are now well prepared for their GCSE.

After Easter tailored knee length shorts can be worn for school—these need to be either grey for years upto and including 8, or black for year 9-11. They will need to be worn with school shoes. Please could we remind you that trainers are not part of the uniform policy.

Parents/carers are invited to attend our forthcoming Easter Services . Wednesday, 9th April at 9:15 AM: Nursery to Year 2 service at School in the Arts Centre and Thursday, 10th April at 2:30 PM: Year 3 to Year 6 service at St. Martins Church. If you do not wish your child to walk to the church for the service, please let your child’s class teacher know.

Have a lovely weekend, Ms Lovecy
