16 January 2026

Following the “castles” that students had made that were shared in the newsletter a few weeks ago I wanted to show the shield that Jonathan Newman created for his CID history project.

Really well done , this is a great effort.

**CID projects - Create, Investigate, Develop projects which** are set for everyone so that they can showcase their strengths and improve their knowledge and skills.

This work is **not compulsory** but gives students a chance to show everyone how well you can do. Every term or half term a theme is set for the projects (please see provision map on the website for what's coming up.

Please congratulate the year 7 rugby team for their efforts on Tuesday against Oswestry School.

This was the teams first rugby fixture. They were down by 4 tries at half time then following the team chat, they scored 3 tries in 5 minutes. The match finished 5-3 to Oswestry. Mr Powell was very proud of their effort and we are too! Next weeks school will be hosting a rugby tournament for year 9, update to follow.

## Online Safety for Parents and Carers, a virtual session starting at 6pm on Thursday 22<sup>nd</sup> January 2026

This [SWGfL](#) training session provides parents with an insight into popular technologies and how young people utilise them. Demonstrating the massive benefits and potential pitfalls, the interactive presentation provides parents with advice, strategies, and resources to help them understand and engage with their child's online lives in a healthy, positive, and productive way. If you have any questions about online safety for your children, our trainer is here to help.

SWGfL are a charitable trust dedicated to empowering the safe and secure use of technology through innovative services, tools, content and policy, nationally and globally. They are proud to be a world leader in online child safety, a founding member of the UK Council for Child Internet Safety as well as an advisor to Governments and a partner in the UK Safer Internet Centre. Their vision: Everyone should benefit from technology, free from harm.

# OLIVER TWIST

Unfortunately, all of our school drama costumes and props were destroyed in the recent fire. We are still planning to go ahead with our production of *Oliver Twist* at the end of this term, and we would be incredibly grateful for any help with costumes.

If you have any unwanted old school trousers (ripped ones are absolutely fine) or school shirts, we would be delighted to have them. We are also looking for items such as waistcoats, parasols, handkerchiefs, top hats, baker boy hats, or anything suitable for the Victorian era. Any donations would be very much appreciated.
