All Parents and Carers

June 2026

Dear Parents and Carers

My term of office as a Governor ends on June 4th and after a lot of soul searching, I have decided to step aside, including from my role as Chair of Governors. This has not been an easy or quick decision.

Andy Hall, currently Vice Chair, is taking over as Chair until the Governors hold an election in July. He has been a Governor for several years, knows school well and brings a wealth of experience to our Governing Body. We also have a very strong and committed team of Governors who I know will continue to support the school.

It has been a privilege to be part of the school and although I will not formally have a role in the school's future I will continue to be a positive advocate for St Martins School. I take away some wonderful memories of school, its pupils, staff and families and wish you and your family a happy and successful future.

Yours sincerely,

Jan Edmondson
