Introducing our Primary Student Council

We are proud to introduce our Primary Student Council. These pupils have been appointed by their classes to represent them.

Their role is varied and important, including taking part in staff recruitment and meeting with senior leaders to discuss issues raised by their classmates.

Thank you for your commitment and effort—I look forward to meeting you all soon.

The Primary Choir and musicians had the honour of performing with The Fron Male Voice Choir at the weekend.

The evening was a showcase of talent and was enjoyed by a full audience. The concert ended with our choir teaching The Fron Choir the actions to "My Bonnie Lies Over the Ocean".

A bittersweet moment this week as we said farewell to our Year 11 pupils, and of course it included the obligatory shirt signing! We wish them the very best of luck for the future and every success in their summer exam results, gaining the outcomes they so rightly deserve.

We look forward to seeing many of you at the prom next week!

The weather next week is forecast to be very warm and sunny. Please can pupils bring a sun hat to school and ensure sun protection has been applied before they arrive. Water bottles should also be brought in and filled ready for the day.

Thank you for your support., have a lovely weekend , Mrs Pope

NURSERY SPORTS DAY 22 JUNE at 9.30am

Please congratulate the girls who went to represent the school on Tuesday. They showed a lot of resilience and good team work. It was year 7's first ever inter-school secondary rounders event. They learnt how to handle competitive pressure in more formal games which hopefully will make them more confident in the future. Next steps for them as a team are to take more risks and react quicker. Excellent fielding seen particularly from Princess Dube when collecting the ball and backing up team mates, outstanding catching from Morireoluwa S and brilliant second post play from Ellie E.

Year 8 demonstrated the next level of accurate fielding working well together and making good tactical decisions to deny all the other teams from scoring easily. Impressive control from Sienna W in bowling position linking with Tegan T and Emillie J from deep. Rita T handled pressure fantastically at second post stumping out many of their opponents. Massive well done to all the girls. They represented St. Martins in a mature, professional manner.

PRIMARY ENRICHMENT WEEK

Next week, will be our Enrichment Week. During the week, pupils will take part in some activities that they may not normally get chance to do, such as Outdoor Learning (in the Forest), games with TNS, Art/DT/Craft sessions. Class teachers will send an email out to parents/carers if there are any special arrangements for their classes.

FRIDAY 26 June— We have arranged a visit from our friends at TNS. There will be a variety of activities to get involved in. A payment of £2.00 per pupil has been set up on Parent Pay. We will also be supporting the Nightingale House Hospice on Friday 26 June, and inviting pupils and staff to wear their house t-shirts for a donation of 50p. There will also be ice pops on sale at breaktime for 50p.

Well done Martha in year 8! She has been taking part in a team event at the mounted games at the Cheshire
