

Ms Alison Pope, Head of School

Dear Parents and Carers,

We just wanted to reach out with an update ahead of the weather forecast this coming week.

Students can wear their PE kit in place of their school uniform but this must be in line with their normal PE uniform.

Can you also ensure that your child has a bottle of water (no fizzy drinks e.g. coke) and this can be refilled during the day at designated time slots as we are setting up water refill stations.

We will provide shaded areas at break and lunch. Pupils should also bring a hat and sun cream and it is their responsibility to reapply suncream during the day to avoid burning. In the primary aged students please ensure they have cream on before they come to school.

Nursery Sports Day is still taking place as planned tomorrow please see Tapestry for details.

Friday activities will still go ahead across both primary and secondary with some adaptations if the hot weather persists.

We will be touch tomorrow about trips for the rest of the week.

Yours sincerely

A handwritten signature in blue ink that reads 'Alison Pope'.
